

SANFORD LIMITED
SUSTAINABLE SEAFOOD

23 October 2013

Continuous Disclosure Notice

Year end result to 30 September 2013

Sanford Limited advises that the year-end profit would likely have met the \$23m lower end target announced on 9 August 2013 however the Directors have resolved to provide for impairment of its Australian quota of \$3m with the effect that the year-end result is now likely to be approximately \$20m.
